

Lobby Track

Comprehensive Campus Management Software

Lobby Track School Editions are robust solutions for managing people on school campuses: Track student attendance and tardiness, manage and verify school visitors, record event attendance and calculate employee time and attendance. Process late students quickly and automatically assign and manage detention for repeat offenders. Register visitors by scanning their driver's license and check against a local watch list or online criminal database. Produce professional photo ID cards and paper badges. Easily deploys campus-wide and integrates with existing systems.

Complete Tracking Solution

- Track students, visitors and employees
- Record tardiness and absences
- Issue photo IDs, tardy slips and visitor badges
- Assign warnings and detention
- E-mail infraction notices to parents
- Check visitors against local watch lists and perform online background checks
- Scan driver's licenses for fast registration
- Issue expiring visitor badges
- View and print detailed reports
- Print evacuation reports
- Integrate with existing systems

Lobby Track offers all of the necessary tools to manage student records, issue ID cards and track student attendance. Take class attendance by scanning ID cards with portable scanners. Mark students absent or tardy. Automatically generate detailed attendance reports.

Scan a student ID card or look up the student's record to quickly process a tardy student and issue a hall pass. Penalties and warnings can be automatically generated. Parents can be automatically e-mailed when a violation occurs.

Track all visitors entering your facilities easily with Lobby Track's visitor pass creation and record keeping capabilities. Scan a driver's license, take a photo and check visitors against both a local watch list and a national database of sex offenders and/or other criminals – authorities can be notified when a match occurs.

Track employee time and attendance with a quick scan of a photo ID card. Each check-in and check-out time is logged. Lobby Track automatically calculates hours and attendance for each person. Export the data for use with your payroll system.

Control and monitor access to your events. Scan licenses or student IDs and know who attended your events. Configure flexible access rules to manage who may attend. Print personalized wristbands. Generate evacuation reports.

Design professional photo ID cards and visitor badges using an integrated version of Jolly's card design suite, ID Flow.
